Antique HARVEST PLANK

RECLAIMED FLOORING – TIMBER FROM AGED STRUCTURES

Harvested from century-old barns and wooden industrial structures, this floor transforms a room into a living history lesson filled with character marks earned from years of faithful use. This smooth reclaimed flooring features a variation of tones, from golden browns to olive tints with its rich mixture of reclaimed hardwoods. The perfect solution for a truly unique floor, wall or ceiling treatment.

DISTINCTIVE ATTRIBUTES

Our Antique Harvest Plank flooring boards will feature a blend of characteristics commonly found in reclaimed wood such as sound knots, sound cracks, insect marks, and nail holes.

ENGINEERED FLOORING SPECS:

Our reclaimed flooring designed for added stability - featuring a surface layer of real hardwood glued over a plywood core.
