Antique HICKORY

RECLAIMED FLOORING – VIRGIN TIMBER FROM AGED STRUCTURES

Contrasting light and dark wood tones juxtaposed with bold, flowing grain patterns give reclaimed hickory a strikingly modern look and a casual, comfortable appeal. With unmatched strength and hardness, hickory is the perfect choice for an airy, contemporary space where kids and pets like to play.

Our 100-percent hickory reclaimed hardwood flooring and timbers come from American East and Midwest barn beams and joists. Each hand-selected Hickory wide plank flooring possesses unique features and colors that can only be found in slow-growth wood that is naturally aged.

DISTINCTIVE ATTRIBUTES

Our Hickory hardwood flooring features wide variations in color, from nearly white to dark brown, and a delicate balance of sound cracks, checking, wormholes and knots. It is the strongest commercial wood available.
