Antique WHITE PINE

RECLAIMED FLOORING – TIMBER FROM AGED STRUCTURES

Antique White Pine reclaimed flooring hearkens back to Colonial America and its intrepid settlers, who selected this timber for the exceptional board length and width it provided. White Pine is an intrinsically soft wood and, over time, will reflect the comings and goings of daily life, aging to a golden tawny color from which its venerable nickname – pumpkin pine – originates.

Our Antique White Pine wide plank flooring is from exterior and interior barn siding and granary boards, once used to hold grain. If you're looking for a rustic, wide-plank floor that captures the essence of early American living – and your own modern-day pioneering spirit – Antique White Pine hardwood flooring is the ideal choice.

DISTINCTIVE ATTRIBUTES

A variegated amber wood with touches of dark brown, reclaimed Antique White Pine – with its occasional nail holes, wormholes, saw kerfs and watermarks – ages beautifully to a nutty pumpkin color.
