CHERRY

TRADITIONAL PLANK FLOORING – THE WAY THEY USED TO DO IT

It's difficult to resist the allure of smooth, Traditional Cherry Flooring and its stunning red-browns. Long considered a premium American hardwood because of its natural luster and fine grain, cherry's ruddy heartwood, accented by pale brown and pink sapwood tones, will add an air of sophistication and chic to any living space.

DISTINCTIVE ATTRIBUTES
Live-sawn through and through from fully matured and responsibly harvested cherry trees.

SOLID FLOORING SPECS:

Replicating early pioneer sawing practices, our Traditional premium flooring is live-sawn from fully mature, slow-growth timber.
