WALNUT

TRADITIONALLY MILLED – THE WAY THEY USED TO DO IT

With its incomparable, purple-tinged chocolate hues, Walnut will help you create an exceptional space of unparalleled style and refinement. Our Walnut wide plank wood flooring is manufactured without steaming to preserve light sapwood accents and create a natural, one-of-a-kind sheen. Walnut's strength and beauty will last a lifetime and beyond.

DISTINCTIVE ATTRIBUTES

This wide plank Walnut flooring is milled from fully matured logs that are live-sawn through and through. Walnut features a rich blend of coffee-colored browns with occasional touches of caramel from its light sapwood. It offers an extraordinarily tight grain pattern, sound knots and natural checking.
